## Why should I consider Minneapolis College and the Auggie Plan?

This 2 + 2 plan allows Minneapolis College students to finish a bachelor's degree efficiently and affordably. It maps out all the coursework you need at both institutions to make sure all your courses transfer. If the plan is followed, it guarantees that your 60 credits from Minneapolis College will satisfy all first- and second-year general education requirements at Augsburg University and leads to many different major options. The Auggie Plan grants you access to both Minneapolis College and Augsburg advisors during all four years for extra support and guidance.

## Is this affordable?

Students who meet the criteria for the Auggie Plan, and complete the program on time, will qualify for the 2+2 Scholarship. This scholarship utilizes the Pell Grant, Minnesota State Grant, and manageable student loan amounts of approximately \$7,500 (each year) while at Augsburg. Augsburg covers the remaining tuition costs for the junior and senior year. Students who do not meet the criteria for the Auggie Plan, or do not finish on time, may qualify for merit-based scholarships as a transfer student. Contact Augsburg for more details.

## Who should look into the Auggie Plan?

The Auggie Plan and Scholarship is designed for Minnesota residents who are eligible for Pell grants and are just beginning their college career. Students who are seeking a clear, attainable path to a bachelor's degree can use this plan as a guide to begin their college experience at Minneapolis College. If you like to learn with people of diverse backgrounds, are excited by life in the city, and motivated by hands-on learning, you're a good fit for the Auggie Plan. Augsburg is the most diverse private college in Minnesota. It is a top research institution values inclusion and the unique talents all students bring to campus.

## Your path on the Auggie Plan

Minneapolis College's four-semester plan detailed below satisfies Augsburg's general education requirements, including fine arts, health and physical education, humanities, lab science, modern language, social and behavioral sciences, and writing. Completing this plan at Minneapolis College's before transferring will allow you to focus on your major coursework while at Augsburg. Any deviation from this course sequence will need approval from both your Minneapolis College's and Auggie Plan advisor. Some majors will require course work while attending Minneapolis College. Contact Judy Johnson for detailed course information for your major of interest.
