*By signing this form I confirm that I understand that if I do not register full-time and do not qualify for one of the exceptions to the full-time enrollment requirement, ISS cannot keep my F-1 SEVIS record active. ISS advisers are not immigration lawyers. We do not have the expertise to advise you about possible consequences, if any, of the decision to abandon the F-1 status before your permanent resident status is approved. Consulting with an immigration lawyer is highly recommended.*
