## **Recommended Fundraising Message:**

As you may know, I work for Minneapolis College. In honor of my birthday, I would like to fundraise for the high achieving, underestimated students I serve everyday.

Although Minneapolis College is among the most affordable colleges in Minnesota, the costs and the barriers of attending can still be challenging. I would love it if I could take this financial burden off of students' full plates. Whether you donate \$5 or \$500, your donation will make an impact. Thank you so much!

Lastly, it will ask you to pick a cover photo. Go to our "Facebook Fundraiser" webpage here: https://www.minneapolis.edu/ff

This webpage hosts photos to choose from for your fundraiser. Right click a photo of your choosing. Click "Save as". Name the photo and save it to your computer.

After saving one to your computer, click "Edit" in the bottom right corner of the suggested photo. Click "Upload New Photo/Video." Upload the photo you just saved. To finish, simply click "Create" in the bottom right corner.The fundraising request will be posted to your newsfeed for your friends and family to see and donate to!
