

Minneapolis College F-1 International Student Agreement Form

STUDENT ID #: _____

For office use only

Please read the following information carefully, initial by each line, and sign the agreement. By signing this agreement, you take responsibility to be aware of and comply with F-1 regulations and Minneapolis College policies while a student at Minneapolis College.

Print Name: _____

If admitted to Minneapolis College, I agree to:

1. Enroll full-time in at least 12 credit hours every Fall and Spring semester. (unless authorized to take less.)

Initial

2. Purchase the mandatory student health insurance through Minneapolis College for myself and my dependents (if applicable), before registering for classes (and annually every August, prior to the start of the new academic year). I understand that this cost may increase throughout my time at Minneapolis College. Cost for 2023-24 is \$2289USD.

Initial

3. Pay my tuition for each semester. I understand that books, supplies, living expenses, transportation, and the required health insurance are extra expenses not included in tuition.

Initial

4. Only accept on-campus employment or properly authorized off-campus employment.

As an F-1 student, I understand that there is no option for off-campus work during my first two semesters, and that eligible on-campus work opportunities are available but not guaranteed. I understand that there are significant restrictions for off-campus employment and permission must be received from the International Student Advisor in advance.

Initial

5. Maintain my F-1 status. I understand that I must be aware of my F-1 status while at Minneapolis College and follow regulations. This includes, but is not limited to: always having a valid passport, informing my International Student Advisor of any phone and address changes within 10 days, registering full time each Fall and Spring semester, purchasing the health insurance, and only engaging in authorized work.

Initial

6. Complete the online International Student Orientation. I understand that I must access the orientation via D2L and complete all Five modules. I understand that failure to arrive and start classes on-time may mean deferment of my admission to the next semester and require me to leave the U.S. and return for the next semester.

Initial

7. Provide proof of immunizations for measles, mumps and rubella (MMR) and for tetanus and diphtheria (Td) within my first semester, if not already received. I understand that my registration for my second semester is not possible until I provide this proof.

Initial

8. Fulfill my responsibilities as a Minneapolis College College student by abiding by the Minneapolis College Student Handbook.

Initial

I have read and agree to the above terms on the F-1 International Student Agreement Form. I understand that failure to abide by these terms may result in rescindment of my admission/acceptance to Minneapolis College, being suspended from the College, and/or losing my F-1 status.
