PSEO Student Advising Form

This form is a tool for high school students to complete with their Counselor/Dean to aid in the college registration process. Minneapolis College will not know your high school requirements, so it is critical that you complete this form with your Counselor/Dean prior to attending a PSEO Orientation. Minneapolis College PSEO Advisors will work with each student on which courses will best fit the student’s intended college major or transfer plan. However, PSEO Advisors will not advise on which college courses will meet high school graduation requirements.

Please bring this completed form to your PSEO orientation
