

Minneapolis College is an equal opportunity educator and employer. This document is available in alternative formats to individuals with disabilities by calling Accessibility Resource Center at 612-659-6730 or by emailing accessibility@minneapolis.edu.

Minneapolis College PSEO/D3 Suggested Courses for 11th & 12th Grade - Fall 2022

Welcome to Minneapolis College! Post-Secondary Enrollment Options (PSEO) are a wonderful opportunity to make progress toward a college degree while completing high school requirements. This guide suggests some of the common courses PSEO students take to meet high school requirements. There are more options as well, but this is a good place to start. Minneapolis College expects PSEO students to review high school requirements and courses with their high school Counselor prior to orientation to ensure the courses count towards their high school graduation.

Courses listed with an * will likely have an online option and courses with a + will likely have an option with some on campus requirements. See the course schedule at Minneapolis.edu/register for updated course information including course delivery information.

PSEO and D3 Student Advising Form

This form is a tool for high school students to complete with their Counselor/Dean to aid in the college registration process. Minneapolis College will not know your high school requirements, so it is critical that you complete this form with your Counselor/Dean prior to attending a PSEO Orientation. College Navigators will work with each student on which courses will best fit the student's intended college major or transfer plan. However, College Navigators will not advise on which college courses will meet high school graduation requirements.

Please bring this completed form to your PSEO orientation
