2023-2024 Petition for Unsubsidized Stafford Loan Only

Minneapolis College is an equal opportunity educator and employer. This document is available in alternative formats to individuals with disabilities by calling Accessibility Resource Center at 612-659-6730 or by emailing accessibility@minneapolis.edu.

I am petitioning the Financial Aid Office at Minneapolis College to consider my eligibility for an Unsubsidized Federal Stafford Loan due to being a dependent student (based on the federal financial aid definition) and my parents' refusal to provide their information on the Free Application for Federal Student Aid (FAFSA).

If parents have previously provided financial information for you to receive federal financial aid, this petition will be denied.

Federal law states that a dependent student (based on the federal financial aid definition) whose parents (father/mother/stepparent) have permanently ended all financial support of the student and refuse to complete the parent section of the FAFSA, **may** be eligible for ONLY an Unsubsidized Federal Stafford Loan at the dependent yearly loan limits. **No other aid is allowed.** The Financial Aid Office at MINNEAPOLIS COLLEGE will make the final determination whether or not to allow the student to borrow an Unsubsidized Federal Stafford Loan without parental information.

For this petition to be considered, you **MUST** complete this form and attach ALL of the documentation requested on the back of this form. Minneapolis College must have already received the results of your 2023-24 FAFSA.
